

July 2nd, 1980

Dear Larry,

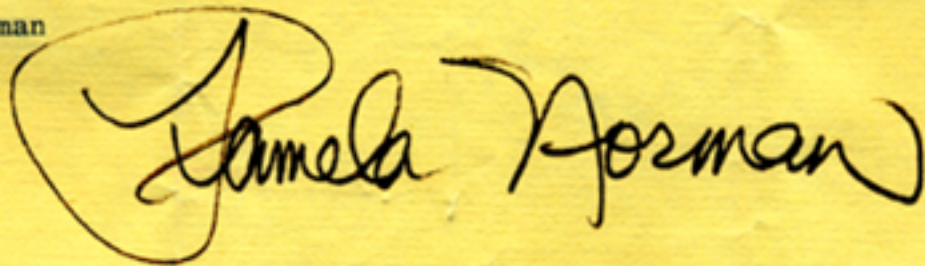

I am signing over my half of all federal and state income tax refunds to you for the year 1979.

In this way I am trying to make partial restitution for the royalty checks that I endorsed and deposited into my account that were made payable to Larry Norman and amounted to \$6,590.52 half of which, at the very least, should have been given to you. (\$3295.26 is half of \$6,590.52)

The United States Treasury has sent a Check Number 27,876,915 made out for \$919.00 which I have signed and am turning over to you for the full amount. ~~I owe you \$2,376.52 more.~~

Sincerely,

Pamela Norman
